ABOUT US

- Peggy Pacella, who founded M.A.P. after gaining 25 years of experience in the corporate world, has assembled a talented team of certified professionals who complement her own expertise and guidance
- We are dedicated to satisfying you — service is a priority as we strive to develop the best possible solution for your business
- Locally based, bringing a better understanding of your situation and personal, one-on-one service to your doorstep

WEBSITES FOR LESS

- Templated, build-your-own sites that are easy on the budget, but rich in the features you need to compete...starting at \$700
- Custom-designed, standard-function 5-page sites tailored to your individual needs... ranging from \$1,800 - \$2,300

WEBSITE FEATURES

- 140 professionally developed templates or custom designs that can be adapted to your individual needs
- Industry-specific image libraries to integrate visual impact throughout your site
- E-commerce tools with customizable product catalog
- Advanced Chatlink® technology
- Unlimited e-mail accounts with up to 1GB of storage
- E-mail blast functionality to reach your clients and prospects
- Your own Web Host Management Center to create and update
- Face-to-face developer access and live Customer Support with extended hours
- And much, much more...
